

Neno Dynamix

Languages Services | Cross Cultural Consulting

CAPABILITY STATEMENT

EXECUTIVE SUMMARY

Founded in 2009, **Neno Dynamix, Inc.** is a cross-cultural company that specializes in facilitating communication and business transactions by providing language services such as interpretation and translation to a wide range of government agencies, businesses and nonprofit organizations.

Our mission is to dramatically minimize communication risks by overcoming cultural, and linguistic barriers. Through the years, we've worked in partnership with other translation companies to satisfy a growing need for language services among businesses and government agencies located not only in metro Atlanta, but across the United States.

We welcome the opportunity to become a part of your communications team.
